

Stone - Stamcor (Pty) Ltd

bringing power to your product

Co. Reg. No.: 1942/015140/07

QUALITY POLICY STATEMENT

Stone Stamcor (Pty) Ltd is committed to defining our position in the marketplace and our primary strategic objective is to manufacture/provide quality and cost competitive products, which satisfy the requirements of our clients and adhere to established standards. We aim to continually learn throughout the operation phases with the view to improving the quality of product and services we deliver.

In formalizing our company's internal processes, we shall establish an operation manual that controls and monitors how each aspect of the business operates.

The core objectives that Stone Stamcor (Pty) Ltd has in terms of improvement of the functioning of our business is the following:

- *Understanding clients needs and striving to exceed their expectations*
- *Continually improving our internal processes*
- *Setting quality objectives that support this policy and organization's changing context.*
- *Constantly reviewing those quality objectives*
- *Working with and employing people who have the right skills and experience to deliver a world class product.*
- *Evaluating and collaborating with suitable suppliers who have the right commitment towards quality.*

To this end we have implemented and will maintain and continually improve our Quality Management System based on the ISO 9001:2015 International Standard.
